## Business Law

When you are considering a lawyer for your business legal needs, Taylor Law Offices means:

1. Priority service
2. Flexible rates
3. Unique VIP Program

If you are considering starting a non-profit business, now Taylor Law Offices is specializing in turn-key packages to file the correct applications in the state of Idaho as well as the IRS. We'll be prepared, so you can focus on business, not business law.

Don't plead guilty, call us first!

## Criminal Defense

We are not solving legal problems, we are solving personal problems that have escalated to require legal intervention. We approach each client in a very distinct and unique way that best suits his or her specific case.

If you have been charged with a crime, it's always best to contact Taylor Law Offices sooner than later for:

1. Multiple lawyers
2. Great flat rates
3. Free calls

We know how the laws of real-time impact the virtual world.

## E-Commerce Law

A well-drafted website is covered legally on a variety of issues: Disclosures, Licensing, Liability, Product and Service Distribution are all issues that we cover with new website owners. Choose Taylor Law Offices for our:

1. Priority service
2. Great flat rates
3. Contracts for only what you need

Don't be one of those people who ignores your terms and conditions. Contact Taylor Law Offices to write them or review the ones you have been using.

We make estate planning easy.

## Estate Planning

Protect your assets and your loved ones. We can help you make this a reality so that you can rest easy. When you are considering a lawyer for your estate planning Taylor Law Offices offers:

1. Multiple lawyers
2. Low cost
3. Yearly reviews

Facing the idea of your own demise is never easy. But, dealing with the consequences of not planning for the end of your life is even more difficult.
